The Community and Family Resources Commission, in partnership with the Bloomington Housing Authority and the Monroe County Circles Initiative, would like to invite rental property owners/managers to an informational session addressing the critical need for affordable housing in Bloomington and Monroe County, specifically: how property owners can benefit by renting to low and moderate income residents.

Representatives from the Bloomington Housing Authority and the Monroe County Circles Initiative will present information pertinent to property owners, including addressing myths about Section 8 rentals. Current landlords and residents of Section 8 housing will share their experiences. The Housing and Neighborhood Development Department will be present to answer questions.

Rental property owners/managers can register to win a \$50 gift card from Lowe's or Menards and snacks and beverages will be provided!

Co-sponsors include City of Bloomington Community and Family Resources Commission, City of Bloomington Community and Family Resources Department, Bloomington Housing Authority, and the Monroe County Circles Initiative. Special thanks to Cartridge World for printing services.
